Statement	Boss ini sangat tolong orang punya. Recommend dia untuk selesaikan masalah IT dalam kedai. Tapi ya, dia agak complicated sikit sebab dia sangat teknikal (itulah saya recommend) dan kadangkala perbincangan boleh mengelirukan. Tahan sikit ya dan harap dia dapat menambah baik cara komunikasinya.

This boss is very helpful. Recommend him to solve IT problems in the store.

But yes, he is a bit complicated because he is very technical (that's what I recommend) and sometimes his discussions can be confusing. Hold on a little yes and hope he can improve his communication style.
